**Re: Request for Resident, Client, and Guardian information pursuant to an abuse and neglect investigation.**

Dear Ms. Cheung:

As explained in my letter dated August 28, 2006, the Hawaii Disability Rights Center ("HDRC") has received a complaint alleging abuse and neglect of clients at Opportunities for the Retarded, Inc. and its related business entities ("ORI"), and has opened an investigation of the complaint.

**Request for Resident, Client, and Guardian Information.** Pursuant to the Developmental Disabilities Assistance and Bill of Rights Act and its implementing regulations [respectively, 42 U.S.C. § 15043(a)(1)(ii) and (iii) and 42 C.F.R. 1386.22(a)(2) and (3)] and the Access Protocol between HDRC and ORI, we are requesting name and contact information for the following persons:

1. All persons with disabilities currently residing at ORI or its related entities;
2. All persons with disabilities who are provided day program services by ORI or its related entities; and
3. In the event that these persons with disabilities have legal guardians, the names and contact information for each guardian.

**Purpose and Use of Information.** We will attempt to contact each person with a disability or their legal guardian to obtain authorization to review the individual records requested in my August 28, 2006 letter. The records are necessary for HDRC to effectively conduct a full and thorough investigation of the abuse and neglect complaint.

Yours sincerely,
